

## Thank you for your interest in wanting to guest post on our site!! Please go through the below guidelines.

### Perks of writing a guest post

- You will get exposure to a brand new audience.
- We will promote your post on Facebook, Instagram and Pinterest.
- At the end of the post, you will get an author biography and a do-follow link to your blog which is great for SEO.

### Content and Format

- We are looking for original content which is not published anywhere else online.
- Posts should be 500-1200 words in length.
- Should include sub-headings and high quality images/videos.
- For better reader experience, limit paragraphs to 5-6 sentences. You can include hyperlinks but no affiliate links pls.
- Be responsible for the opinions, data and information expressed in the post.
- Pls send us the final draft as a google doc to [guest@homemakerhandbook.com](mailto:guest@homemakerhandbook.com).

### SEO

- Be SEO compliant using keywords and long tail keywords.
- If not, we reserve the right to make edits for SEO purposes and reader engagement

### Media

- Include media that is relevant to your topic
- All pictures must be your own
- If not, pls submit proof that you have the rights to use the picture or video or submit the source of the image.
- We may edit any photos or videos and reserve the right to not use the submitted photos OR add photos or videos to the post.

The final decision regarding the publishing of all articles would be ours. **We pay in love and support only** :D
